

Welcome to Your Pillar To Post HomePage

What is Pillar To Post HomePage?

Pillar To Post HomePage is your one stop for all items related to your home inspection. Access your inspection report, reports on any added services you may have selected, as well unique features only included with a Pillar To Post home inspection.

Included with your HomePage, you will receive PTP360 (a virtual and navigable walk-through of the home), PTPEstimates (learn how much repairs in the home will cost), Valuable Home Information (informative documents that increase your knowledge of your home and its systems), and PTPConnects (a free moving concierge service that helps you set up your utilities and more at your new address).

If you selected a Premium or Prestige home inspection package, you will also receive PTPFloorPlan (a measured floor plan of the entire home) and PTPHomeManual (a digital owner's manual for the home, with information about your appliances at your fingertips).

How to Access Your Personal Dashboard

1. Once your home inspection report is ready, you will receive an email or text notifying you that your report is ready to view.
2. Click on the link to open your personal Pillar To Post HomePage.
3. Welcome to your personal Pillar To Post HomePage! There is a short video for you to watch on what is available on your HomePage and how to navigate your dashboard and view your reports.
